

Jumpstart Summer Programs

Want to get a jump start on next year's responsibilities, Step Into the Maze Inc. will be offering specialized mini training sessions focused on Advance Placement and Regents course prep work, study skills, Leadership Training, and college admissions prep for the class of 2010. Each fee based seminar (except the Jumpstart Leadership Training Program) will be approximately 2 hours in length focused on a specific goal that will have the students produce:

1. A study guide for their upcoming course selections,
2. Certificate of Participation for the leadership training seminar
3. Registration for a variety of private scholarship databases and completion of one scholarship essay
4. Review of the requirements for the college application process including the construction of a resume or qualifications sheet.

Anyone enrolled in one of the comprehensive grade specific programs can attend any of the Jumpstart programs for free.
